## 5 Hours of CE Credit

Continuing Educaiton Credits are being supported through the Kansas Board of Pharmacy

## August 19, 2019

4:00 pm – 5:30 pm

### **Pre-Meeting Panel Discussion: USP 800 Implementation Tips (no CE)**

*Joanna Robinson will describe how to develop a hazardous drug list and develop a USP 800 compliance plan. A panel of pharmacist representatives from 4 different-sized hospitals will share their progress and hurdles and answer questions from the attendees.*

# August 20, 2019

- 8:30 am – 9:00 am Registration and Continental Breakfast
- 9:00 am – 10:00 am **Controlling Hazardous Drug Exposure Risk**  
*Joanna Robinson PharmD, The University of Kansas Health system*
- This presentation will detail arrangement of the elements of the CDC Hierarchy of Controls and interpret USP recommendations for the use of Personal Protective Equipment.*
- 10:00 am – 11:15 am Break
- 10:15 am – 11:15 am **Opioid Stewardship Initiatives**  
*Kyle Eichelberger, PharmD, LMH Health*
- This presentation will detail the development of an opioid stewardship program in a 174-bed community hospital and the implementation of a multimodal pain management strategy for patients in total joint replacements.*
- 11:15 am – 12:15 pm **Toxidrome Pearls from A to Z: Must-have Antidote Strategies for hospitals (Large and Small)**  
*Zahra Nasrazadani, PharmD, BCPS and Allison Rosa, PharmD, Salina Regional Health Center*
- This program will identify regional resources for continuity of care in managing toxicologic emergencies and demonstrate how to implement toxidrome pearl strategies at the community level.*
- 12:15 pm – 1:30 pm Networking Lunch
- 1:30 pm – 2:30 pm **Hot Topics in Medication Safety: ISMP Update, Cannabidiol, and Online Pharmacies**  
*Greg Burger, PharmD, CPPS, FASHP, NREMT, Stormont-Vail Health*
- Preventing errors involves more than just looking at internal data. This program will review hot topics in medication safety by looking back at some of the most important Institute for Safe Medication Practices newsletter topics from the last year, the legalization and the risks/benefits of cannabidiol in Kansas, and the risks of ordering medications through online pharmacies.*
- 2:30 pm – 3:30 pm **Board of Pharmacy Update**  
*Alexandra Blasi, JD, MBA, Kansas Board of Pharmacy*
- This presentation will provide relevant updates from the Board of Pharmacy and the regulatory community from the past year to rural pharmacists, pharmacy nurses and technicians.*
- 3:30 pm – 4:00 pm Wrap-up, Evaluations and CE certificate distribution
